SAILING
FOR
EVERYONE!

Run by volunteers this not-for-profit program provides access to the sport of sailing to those who would not normally be exposed to the sport. People of all abilities and ages can try sailing and progress to their ultimate potential level on the sailing pathway.

The Hansa Dinghies used are easy to sail and cannot tip over, ideal for people with limited motor abilities.

Discover Sailability - Sailing For Everyone Sessions are held once a month during the summer sailing season. \$5 per person for a short sail - registrations essential.
