Note: The above rigging area allocations may change subject to final entry numbers in each class.

Upon arrival please advise Traffic Marshals of your boat class so that they can direct you to your boat drop off point. Please unload your boat/s as quickly as possible and then proceed to park your car and trailer in the designated visitors car and trailer parking areas. Do not leave valuables in your car.

Please drive at walking pace only, watch for pedestrians, and follow the directions of Traffic Marshals at all times while within the event precinct.

Thank you for your cooperation.
