Tamar Yacht Club Newsletter

Thank You

A thousand thanks to Kathy Grant for her tireless work on collating and publishing Making Waves for the past 18 months. She departs leaving our Newsletter in a healthy condition.

The Tamar Yacht Club would like to take this opportunity to wish both Richard and yourself all the best for your new adventure in Hobart.

We will miss you all!

Bart Hutton

Finally after 45 years of committed service the engine of the Bart Hutton has died!

Refurbishment of this boat is underway with the Clubs purchase of a reconditioned engine. Much thanks goes to Ross Carey who sourced this engine.
