JYBE TALK – April 2018

COMMODORES UPDATE FOR APRIL, 2018

I hope that all our members had a great Easter. The weather for sailing and cruising around the lake over this period was fantastic.

Congratulations to Jed Fatches and Ashleigh Swadling finishing 2nd in Nacra 15 United 4 Sailing @ Medemblik which is a prelim to the Nacra 15 World Championships in Barcelona. Good Luck with the Worlds, guys we are all very proud of you both.

We have a bit of a lull in the Sailing Program at present but momentum is building for a great Winter series ahead. Hope to see you all out on the water over Winter. Our first Achenar starts on 28 April, 2018

Preparation is underway from your Social Committee lead by Mr Wayne Izzard and Mrs Lyn McAllister to provide another great fun presentation night. Information will be forthcoming shortly about this fun event in our Calendar. If you have any trophies at home can you please get them down to the club.

Race Q's application is still being tested and we hope to see more competitors taking up this application for racing. Comments from those using the application so far, are that it has assisted with training and seeing where both right and questionable decisions on the water have been made.

Regards Sandra O'Donnell

JYBE TALK – April 2018

Danielle Henderson ran the Try 29er sailing day. There were 4 boats on the day, unfortunately the weather conditions were that favorable however, the support and enthusiasm was great.

Some Junior sailors went to Sydney to watch the Super Foiler Series, fantastic experience and Nathan Outteridge, spent time with the kids and made them feel special.

We have had 25 kids in Learn to Sail Group and judging by the response this may become larger. Junior Sailing is being run by a group of very competent parents, it is the Learn to Sail needs a bit more effort and energy.
