The Outdoor Boat and Caravan Show

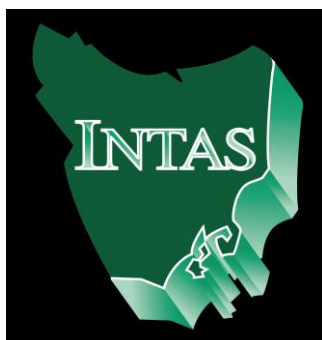

Now just seven weeks away

Friday 11 September to Sunday 13 September

The Tamar Yacht Club organises and runs the Outdoor Boat and Caravan Show. This fantastic event is the club's major fund raiser of the year, with all monies raised going directly back to the Small Boats Sailing Squadron.

This year to reduce venue hire costs we are calling for Volunteers; please all Members consider putting aside 3 or 4 hours over the show weekend to help us with running the show,

Contact Rowena on 6331 8013 during office hours, which are Tuesday to Friday 9am to 3pm, if you are able to assist so that we can add your name to the roster.

Supporting the Tamar Yacht Club

The Committee Meeting

Last night Ralph Barnes was elected as a Tamar Yacht Club Committee Member, and Ross Carey was elected as the Clubs Assistant Secretary. Congratulations and thank you both for your support and commitment to the future of the Tamar Yacht Club.

Interesting facts

*The Tamar Rivers indigenous name is *kanamaluka*.

*The name *Legana* is based on the Aboriginal word for freshwater, since it is at the point where the Tamar River becomes fresh water.

REMINDER: The Small Boats sailing Squadron is holding a working bee this Saturday from 10am to 3pm at Beauty Point- a light lunch will be provided. Please contact Donelda Niles 0419 358 385 if you are able to attend for catering purposes.

Chilled champagne sailing as Magellan correctly navigates the Derwent

20 Jul 2015

On the water, Richard Grant's Knoop 39 Magellan looks every bit a comfortable cruising yacht, wide beamed with a large cockpit and long coach house that obviously provides lots of space below decks. Below the waterline, the design concept is quite different, a sleek hull and fin keel with bulb that makes her a fast and efficient racing yacht, particularly in a light breeze – as she showed on Hobart's River Derwent today.

Magellan took out first place on corrected time in Division 1 of the Bellerive Yacht Club/Tilford Auto Group Winter Series on a cool but sunny Sunday morning, conditions described as 'champagne sailing'.

Both the temperature (from 6° to 9° C) and the breeze (6 to 10 knots northerly) rose during the morning providing close racing in the three divisions.

Grant brought Magellan, a one-off design by Tasmanian Walter Knoop, to Hobart as a competitor in the last Launceston to Hobart Race and recently re-located to Bellerive, where he joined the Bellerive Yacht Club.
